

Student Voice - Teacher Survey 2015

Clevedon School

Set up as a Google Form:

The purpose of this survey is threefold... 1) Personal reflection (feel free to add it to your PTC evidence), 2) to use our collective answers to see where we are at and where to next and 3) as feedback to Edeh, Steph and Sarah on their effectiveness of leading student voice in the school.

- Define student voice? Feel free to write in sentences, bullet points, key words etc – in your own words
- What new learning have you developed around student voice?
- What changes have you made to your practice this year as a result of student voice?
- What impact for your students has resulted from the changes you have made to your practice?
- What is the most challenging thing about student voice for you?
- What, if anything, will you do differently next year?
- Any suggestions on how we should move forward with our focus on student voice?
